At Estate Sale Sterling Silver, we pride ourselves on being able to offer you the highest quality French antique sterling silver flatware sets and hollowware products at the best prices available; both online and here in Paris. We regularly monitor both the local antique market and the international online market to ensure we offer you the BEST VALUE FOR MONEY. With soaring silver prices, there has never been a better time to invest in silver, and purchasing investment grade French antique sterling silver flatware and tableware products is a very pragmatic way to do just that. While there is some investor speculation; most analysts think future price increases will be based on increased industrial demand, as opposed to investor speculation - BUY TODAY AND SAVE. Included with each shipment is a "Certificate of Antiquity", necessary for duty free importation as an Antique. **Enjoy 100% Buyer Protection.**
